

Opportunity | ReSPA-SIGMA 2026 Awards: Public initiatives with transformative impact

Submission deadline: July 15, 2026.

the Regional School of Public Administration (ReSPA) and SIGMA (OECD/EU), together with INAMP, invite public institutions from the Republic of Moldova to apply for the Awards for

Public Administration 2026, dedicated to initiatives that modernize governance and strengthen the quality of public services through measurable results, innovation and direct impact for citizens, businesses and communities.

The competition recognizes implemented projects that demonstrate concrete progress in public administration, in particular by:

- Digitization and technological innovation;
- Administrative simplification and reduction of bureaucracy;
- Accessible, inclusive and user-centered services;
- Transparency, integrity and institutional accountability;
- Collaboration, interoperability and data-driven decisions.

Participation offers public institutions the opportunity to gain international recognition and access to the exchange of best practices within a community of excellence in public administration.
